Mayor Report:

Fun parks grant report, we made the top 20 to go in front of the board to tell why Dyer needs it over the other 20. The trash truck is supposed to go in garage today for repairs. They have been behind in doing their repairs. Don Staton has been driving the truck so the other 2 can throw trash on a volunteer basis and we really appreciate this. Fall clean up October 2, 2021, behind city hall. Limbs can be taken to the burn pile behind fire station 2. I sent email out about the road overlay and what streets need to be overlayed the worst. Some of the roads

are in bad shape. The 2 roofs are done. We have left over + \$6000.00, we are looking at replacing decks at the Community building. Discussion of new meters and software to auto read meters and cost of it. We will be getting bids on this. Rick McClellan gave report about pump station and sewer pump station as well. We are in compliance with the Department of Health regulations now.
