Public Works Director Lonnie Robins Jr. gave a report about an opportunity to have Heard Branch and the entrance to River chip and sealed. Lonnie explained to the council that River Road would be too long to cover with the amount of chip and seal available. Poter place and Hazel are on street aid for this year. The cost would be \$13,300 if we could do it today, we just have to council approval and move the cars off the road on Heard Branch.

Lynn called Today's bank about the 2 street CD's. We have one with \$19,766.69, we can close this CD pay for the repair of the roads and put the remaining balance of \$6,466.96 into the other CD when it matures in February or March.
